## *Bro. Marshall's Message*

September is one of my favorite months of the year, because since I can remember September 1 has been set aside for opening day of dove season. Not only do I love dove season, because those little rascals are so fast and elusive, but this also marks the beginning of hunting season as a whole. Yes, it is still hot and sometimes we don't shoot very many birds, but it is the looking ahead to Fall and cooler weather that I love. I look forward to spending many days in the woods, the fields and on the water not only hunting but enjoying the creation with which God has so richly blessed us. I look forward to watching the leaves change and fall, snow cover the ground as well as retrievers, setters and spaniels do what God created them to do. Most of all though I enjoy spending time with family and friends, some old and some new. God gives us life as is mentioned in the scripture above. He desires for us to live it, but not alone and not selfishly. Hunting season gives me the opportunity to thank Him for what He's done and share Jesus with many people as we enjoy the outdoors together.

In God's hand is the life and breath of all mankind. We do not know when our last day will be, and we must use every day wisely. Whether you are a hunter or enjoy some other activity, use that to make new friends and invite them to do it with you. Share the life you have in Jesus Christ with those folks and see how He changes their lives.

***Till all hear!***  
***Bro Marshall***

*But just ask the animals and have them teach you; and the birds of the sky and have them tell you. Or speak to the earth, and have it teach you; and have the fish of the sea tell you. Who among all these does not know that the hand of the Lord has done this, in whose hand is the life of every living thing, and the breath of all mankind?*

**PASTOR: ROGER MCPEAK**

We are a small loving community style church. The Holy Spirit guides us and has blessed us with a joyful congregation. We had a great VBS in July and are planning a trip to Venture River for the Youth the end of August. We've had seven baptized to date and several rededications which have been a blessing.

## SALVATION STORY

### *FBC Wynnburg*

**PASTOR: JOHN POOR**

I would like to share my personal testimony. In 1975, as a young man, I was invited to attend a service at Fellowship Baptist Church in Bartlett, Tn. Throughout this service I felt like the preacher was speaking directly to me. That evening, I got under conviction and prayed to receive Christ as my Savior. I began studying God's Word on a regular basis and was baptized two months later. God began opening doors of opportunities for me to share my testimony after I began feeling Him calling me to preach. In 1977, I answered the call and became the pastor at Emmaus Baptist Church in Newbern, Tn. For the past 50 years, I have seen many except the Lord as their Savior and be baptized. I have pastored 6 churches and served as interim in 5 churches.

We are always accepting donations of coffee/tea pods, hot cocoa packs, flavored tea packs, disposable coffee cups with lids, flavored creamers, and sweetener packets. You can bring these to the Beulah Baptist Association office, and we will get them to the BCM! Monetary donations for coffee supplies can be accepted as well. Thank you for supporting our local college ministry by providing items for the coffee station!
